Welcome Note

On behalf of ESAG, I would like to welcome all of you attending ESAG 5th World Congress, taking place in Athens, Greece on the May 30th to June 2nd, 2021.

ESAG's Congresses have come to take the stage light in the sector of Reconstructive, Aesthetic & Regenerative Gynecology; an area which has gained great attention from professionals with various backgrounds and specialties.

Every year, ESAG contributes in this fast growing area of medicine, by bringing together Gynecologists, Plastic Surgeons, Dermatologists, GPs, Family doctors, Sexual Medicine Professionals, Anti-Ageing Medical Professionals, Aesthetician, Nurses and many other experts who deal with Women's Health, Beauty and Wellbeing to take the lead in promoting and expanding the knowledge in this field.

ESAG's Congresses traditionally gather prominent speakers from all around the world - experts in the field to share their knowledge and to bring in the up to date surgical and non-surgical techniques in Reconstructive, Aesthetic & Regenerative Gynecology.

Our mission is to provide an environment for scientific interaction between delegates and technology providers of the field, on an uncommercial level.

So, don't miss the chance to visit the city of light and knowledge; the cradle of civilization and the country of Hippocrates. In his words

"Wherever the art of medicine is loved, there is also a love of humanity"

-- Hippocrates

I am looking forward to welcoming you this time, in Athens - Greece

Sincerely Yours,

Alexandros Bader, MD, FAAOCG
